Journal - Office of Legislative Counsel
Tuesday - 27 December 1960

25X1 6. [] Met with John Conway and George Murphy delivering to them the two pictures which were used at the 9 December briefing of the Joint Committee on Atomic Energy [] In addition, discussed with them the question of return of the Director's statement of his briefing of the Joint Committee on Atomic Energy in August. Explained that we had furnished the statement 24 hours prior to the briefing in accordance with their request but with the stipulation that it would be returned. Mr. Conway said that Senator Anderson was very firm on this procedure. After some discussion, it was agreed that with the next request for a briefing the formal letter from the Chairman will include details on their procedural requirements.

25X1 7. [] Talked with Robert Smart, Chief Counsel of House Armed Services Committee, and gave him a general picture of the discussion between Mr. Kilday and Mr. Dulles. Mr. Smart indicated that the clippings which Mr. Dulles had left with Mr. Kilday, all of which included mention of the defectors, Martin and Mitchell, going to see Wayne Hays, had been forwarded to Mr. Smart with a notation that this was a matter to be taken up when the Subcommittee meets. Mr. Smart also furnished some information concerning some Cuban types he had met in Key West which will be passed on to WH Division.

I also brought up with Mr. Smart the question of an early meeting of the CIA Subcommittee with the Director and mentioned this had been specifically discussed by Kilday and the DCI with Kilday saying that he would like to do this at the earliest opportunity. Mr. Smart said he would talk to Mr. Kilday when he returns to town next week.
